Post Option 2: Improve Your UI Symptoms with *Leva*

Post Image:	Post Text:	Suggested Post Hashtags:
 <p>The graphic is a promotional image for the Leva Pelvic Health System. It features a dark blue header with the text 'Bothered by bladder leakage?'. Below this, there is a central white box containing an image of the Leva device, a smartphone displaying a pelvic floor training app interface, and a circular graphic showing '80%' reduction in bladder leakage episodes. The text reads: 'In an 8-week pivotal study, most <i>Leva</i> users saw an 80% reduction in bladder leakage episodes.' At the bottom of the graphic is a dark blue footer with the text 'Ask us about the <i>Leva</i> PELVIC HEALTH SYSTEM'.</p>	<p>Improve your bothersome urinary incontinence (UI) aka bladder leakage symptoms by training and strengthening your pelvic floor muscles at home, on your time, with the <i>Leva</i> Pelvic Health System. Call our office today at [xxx-xxx-xxxx] to learn more and to schedule a consult!</p>	<p>#obgyn #gynecologist #gynecology #pelvichealth #pelvicfloor #digitalhealth #womenshealth #kegels #mom #healthymom #bladderleakage #bladderhealth #healthyaging #incontinence #UI #forstrongerwomeneverywhere #Levapelvichealthsystem #Leva</p>
